WINTER PRE-BOOK CONTRACT 2026-2027

I, (we) _____

Address: _____

Phone: _____

enter into an agreement with Affordable Propane Inc. to purchase _____ gallons of propane at the price of
\$ 1.89 per gallon.

Minimum of 200 gal delivered at a time and no deliveries later than May 31st, 2027.

Customer must pay in full by August 31, 2026.

All gallons contracted must be used by May 31, 2027.

After May 31st, any leftover gallons reverts to a cash credit, applied to your account, to be used for the following year or delivery.

No refunds will be given. Any monetary amount carried over will be used for future propane purchase at current market price.

This agreement is not to be combined with any government assistance program including but not limited to Economic Security and Li-heap.

Contract is for the benefit of our customers for budgeting their propane expenses and does not guarantee lowest pricing.
